Barboursville Park, WEST VIRGINIA

Outdoor Entertainment for All

LOOKING FOR A WILD AND WONDERFUL GETAWAY for your next sporting event? The Barboursville Park in West Virginia is a perfect fit. Nestled in the Appalachian Mountains, the park contains over 750 acres of assorted recreational facilities. Offering everything from mountain bike courses to music venues to soccer and baseball complexes, it could be the perfect fit for you.

The park is located just 30 minutes from both the Tri-State and Yeager Airports to offer a central travel location. Barboursville Park Soccer Complex hosted the US Region I Soccer Tournament in June of 2015 and has committed to hosting again in 2016. With more than 15,000 guests, the tournament was a huge success.

The 14 fields that comprise the Barboursville Soccer Complex also can be used as a site for both lacrosse and rugby. The complex provides ample parking and facilities for up to 20,000 guests. In addition to the Soccer Complex, the park offers a Little League Baseball Complex. The Baseball Complex features five lighted baseball fields with additional warmup and practice facilities.

Finally, the park also provides plenty of outdoor recreational facilities and activities. The hiking and biking trail system features 42 separate trails that can be used for a mountain biking tournament. Barboursville Park also offers the 17-acre Lake William, a desirable spot for the avid fisherman. Rounding out the list of facilities are an archery range, horse show ring, eight hard surface tennis courts, three basketball courts and two sand volleyball courts.

Barboursville Park wants the opportunity to serve as your next host city. We will show you what southern hospitality is all about. We will make sure that you have a world-class event and that you will want to return for years to come!
